

Grooming Prices

At your service pet Grooming and Care is a mobile service, meaning we are able to come to you no matter where you are in Townsville. As long as we have clear access (no more than 30 metres away) to Water and Power we are happy to come to your home.

The best thing about our service is that we can come when you are not home. No more waiting around until your dog is finished, and no leaving your dogs in small cages away from home all day until you can pick them up.
